The Honorable Dan Morales
Attorney General
State of Texas
Post Office Box 12548
Austin, Texas 78711

Dear General Morales:

An inquiry has been made of my office regarding the issue of bail bonds. The question posed relates to attorneys who advertise and provide bonds for individuals who are not their clientele. Specifically, can attorneys make bonds for individuals who are not their clients?

I respectfully request a formal opinion from your office regarding this issue. Should you need any further information, please let me know.

Sincerely,

Ken Armbrister, Chairman
